PLEASE NOTE: If YOU owned property in the Property Class Area on June 7, 1989, it DOES NOT MATTER if you sold the property at some time AFTER June 7, 1989. If you owned it on June 7, 1989, you may have a claim. In other words, you do not have to currently own the property as long as you owned it on June 7, 1989. If you are filing a claim as an heir or corporate successor, again, it DOES NOT MATTER if the person or entity who owned the property on June 7, 1989, may have later sold it. As long as the person or entity owned the property on June 7, 1989, AND you are that person’s heir (or if a corporation or other entity, the successor), you may have a claim. By “heir” we mean that you were legally entitled to the property and assets of someone who owned property in the Property Class Area upon their death.

RELEASE OF CLAIMS

If you submit this Claim Form and remain in the Class, you will not be able to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against Defendants arising from the claims released as part of the settlement, including claims brought in this lawsuit. All of the Court's orders in the case between Plaintiffs and Defendants will apply to you and legally bind you. You will also be bound by the proposed settlement between Plaintiffs and Defendants if the Court grants Final Approval to the proposed settlement and enters final judgment in this lawsuit.

However, if you submit this Claim Form and remain in the Class, you will ***not*** release claims for actual bodily injury, nor claims unrelated to the allegations in the complaint such as pension, or product liability or contract claims or claims of former Rocky Flats workers under Workman's Compensation or similar laws or regulations. What this means is that, if you believe you have gotten cancer, for example, from exposure to plutonium from Rocky Flats, you are not giving up the right to sue over that, just by filing a claim as part of this settlement. If you are a Class Member and file a timely and valid claim as part of this settlement, you can still decide to sue if you have cancer or develop cancer or have suffered other bodily injury. You would need to consult your own lawyer about any such potential lawsuit, including about whether your claims may be barred by the statute of limitations (in other words, whether it may be too late to sue). Plaintiffs and Class Counsel are not suggesting that you may or do have any claims for bodily injury, nor expressing any opinion about the likelihood of success if you decide to pursue such claims – again, you would need to consult your own lawyer about any such potential lawsuit.

The full text of the Settlement Agreement, which includes the Release (see Paragraph 7 of the Settlement Agreement) is available at www.RockyFlatsSettlement.com.
